

Soccer Developmental Program for Boys and Girls 5-7

If you have a young athlete that loves the game of Soccer, then the Michigan Burn **Little Burners** program is the place for you! Little Burners is a **10-Month co-ed program** that develops the fundamental skills of the game of soccer and lays the foundation for your young player to move up to club-level soccer fully prepared and ready to compete!

Little Burners train every week, August through the end of May, play 8 games in the Fall and 8 games in the Spring. Each training session is planned to focus on one area of play or individual skill set. The activities are technical and fun at the same time. Little Burners work hard, have fun, and hardly ever want to stop playing when the coach blows the whistle to end the day!

Registration and enrollment is open at anytime all year.

Program Cost Full Year: \$925.00

(payment plan available.)

Listen to what other families have to say about the Michigan Burn Little Burners Program:

"My daughter had never played soccer in her life before she came to the Little Burners. By the end she was dribbling and shooting the ball correctly, scoring goals, and playing aggressive defense. The coaches are amazing with the young kids, patient when necessary, silly when they need it, and devoted to making sure these kids learn the proper way."

"Little Burners has proven to be the ideal developmental program for my daughter. She has progressed from running and kicking at the ball to now being a contributing player on her club team. I highly recommend this program to any young soccer player looking to learn proper technique with the ball, while having fun and developing a love for the game!"
